

Novytskyi Oleksandr

Date of birth: June 12, 1991

Place of birth: Ukraine, Sumy

tel.: +38(050) 5 777 827 Viber, WhatsApp, Telegram

E-mail: novitskiy_a@i.ua

Education:

01.09.2006-30.06.2011	Sumy Building College	Civil engineer majoring in "Construction and operation of buildings and structures" - Bachelor's degree
01.09.2011-31.05.2012	Poltava National Technical University named after Yuri Kondratyuk	Civil engineer-technologist in the specialty "Technology of construction, structures and materials" - master's degree

Additional education:

- Ph.D., Scientific degree of Candidate of Sciences in specialty 192 "Construction and Civil Engineering", direction 05.23.02;
- - Advanced training at the scientific-practical seminar on specialization "Geotechnical construction in Ukraine in the context of the adoption of new regulations" in 2017;
- Qualification certificate of the energy auditor №ПНТУ-ЕА00013 from 27.12.2019;
- Qualification certificate of a specialist in the inspection of engineering systems of buildings №ПНТУ-ІС00013 from 27.12.2019;
- Project support course for the program "Energodim", SI "Energy Efficiency Fund" online (2020)
- Business course "Planet of Opportunities Ze! START" (2020);
- Training GIZ « Thermographic analysis of buildings », Feldafing, Germany (2020);
- VDC Engineer 2.1 Basic, Revit 2019. Autodesk Authorized Academic Partner «BUILDTIT UKRAINE», Certificate of completion EM12065095666454480559, online (2019)
- VDC Engineer 2.1 Basic, Navisworks Manage 2019. Autodesk Authorized Academic Partner «BUILDTIT UKRAINE», Certificate of completion EM12065095666444480559, online (2019)
- Course VDC Engineer 2.0 Basic, certificate IS-000261, online (2019)
- Project Management Program: Development and Construction, School of Professional Development URBANLAND.PM, Kyiv. (2019)
- Manager Training Programme of the German Federal Ministry for Economic Affairs and Energy with the Ukraine» according to the program «Fit for partnership with Germany», the German business training center Consortium trAIDe GmbH and RWTH International Academy GmbH, Aachen, Germany. (2015)

Work experience:

№	Date	Employer	Position
1	21.09.2020 – until now	National University "Yuri Kondratyuk Poltava Polytechnic"	Doctoral student of the Building Structures Department in specialty 192 "Construction and Civil Engineering"
2	21.09.2020 – until now	Self-employed Novytskyi O.P.	Energy auditor
3	15.07.2016-21.09.2020	PrJSC "SUMBUD" Main testing laboratory in construction	Deputy Chief
5	02.09.2016 – until now	Sumy National Agrarian University	Teacher of special disciplines (part-time)
6	16.10.2015 – 14.07.2016	Sumy National Agrarian University	Senior Lecturer of the Department of Architecture and Engineering Research
6	15.10.2012 – 15.10.2015	Sumy National Agrarian University	Postgraduate student of the Building Structures Department
7	01.09.2012 – until now	Sumy Building College	Teacher of special disciplines (part-time)

Professional skills:

- Specialist in certification of energy efficiency of buildings and inspection of engineering systems, (certificate №ПНТУ-ПК 00013);
- Project management of construction projects;
- Technical inspection of buildings and structures;
- Thermographic survey;
- Laboratory and field tests of structures and materials;
- Performance of geological and geodetic surveys;
- Skills in working with computers computer and professional software (MS Office, AutoCAD, Revit, Navisworks Manage, SCAD, Lira and others);
- Ability to use BIM technology and VDC;
- Knowledge of languages: Ukrainian - native; Russian - fluent; English - high level.
